

# LOKI v2

## Basic Parameters:

Length*Width*Height	4860x1750x1990
Energy Type	Pure Electric
Maximum speed (km/h)	100
Battery Warranty	8 years/400,000 kilometers
Vehicle warranty	3 years/ 100,000 kilometers
Front wheelbase (mm)	1475
Rear wheelbase(mm)	1475
Minimum ground clearance with full load (mm)	155
Number of doors (number)	4
Cargo box volume(m3)	6.2
Curb weight (Kg)	1495
Loading Mass (Kg)	3000
Tailgate opening method	(hatchback)
Side sliding door form	Single side manual

## Battery /Motor

Motor type	Permanent magnet synchronization
Maximum power of rear motor(KW)	60
Maximum torque of rear electric motor (N.m)	220
Number of drive motors	1
Battery Type	Lithium Iron Phosphate
Pure Electric cruising range (CLTC) (km)	275/305
Battery capacity	38.64/41.86
Fast charging time (hours)	0.75 h
Slow charging time (hours)	≤14h(3.3kW)
Battery Heating	Included
DC Fast charging	Included
Communication Slow charging	Included

## Chassis

Rear Axle	Electric drive axle
Drive Mode	Rear drive axle
Front Suspension Type	Former MacPherson
Rear suspension	Leaf spring intergral bridge
Assist type	Electric assist
Front brake type	Ventilation tray
Rear Brake Type	Drum Type
Parking Type	Foot brake
Tire specification (front/Rear)	185R144LT 8PR
Rim Material	Steel rims

## Active /Passive safety Equipment

Seat belt not fastened reminder	Only the main driver
ABS antilock	Included
Braking Force distribution (EBD/CBC,etc.)	Included
Hill assist	Included
Low speed beep	Included
Car door not closed reminder	Included

## Auxiliary /control Configuration

Rear parking radar	Included
Reverse image	Included
Brake energy recovery	Included

595mm

1.5m

**External/anti-theft configuration**

Key type	1 remote control+1 mechanical
Remote lock car	Included
GPS Positioning	Included

**Internal Configuration**

Multifunctional steering wheel	Included
Instrument cluster	Central control screen
Segment code screen(vehicle speed)	Included
Co-drivers form filling workbench	Included
Tbox remote control	Included
Aluminum alloy skin or hard shell	
PVC inside the cargo compartment	Included
Cargo Compartment floor (fiberglass composite floor)	Included
Cargo box Lighting	Included
Seat Material	Fabric
Main seat Adjustment method	Manual

**Multimedia configuration**

Central console control Lcd screen size	10 inches
Internet radio	Included
GPS navigation positioning	Included
Navigation traffic information display	Included
Central control LCD screen split screen display	Included
Bluetooth/car phone, music	Included
Voice recognition control system	Included
Internet of vehicle	Included
Number of USB interfaces	1
12v power interface (cigarette lighter holder)	Included
Number of speakers	2

**App intelligent interconnection**

Remote unlock/Unlock	Included
Turn on the air conditioner remotely	Included
Remote car search	Included
Schedule charging	Included
View vehicle status (doors, locks, anti-theft status etc.)	Included
Check vehicle health (battery health, high voltage insulation safety , etc.)	Included

**Lighting configuration**

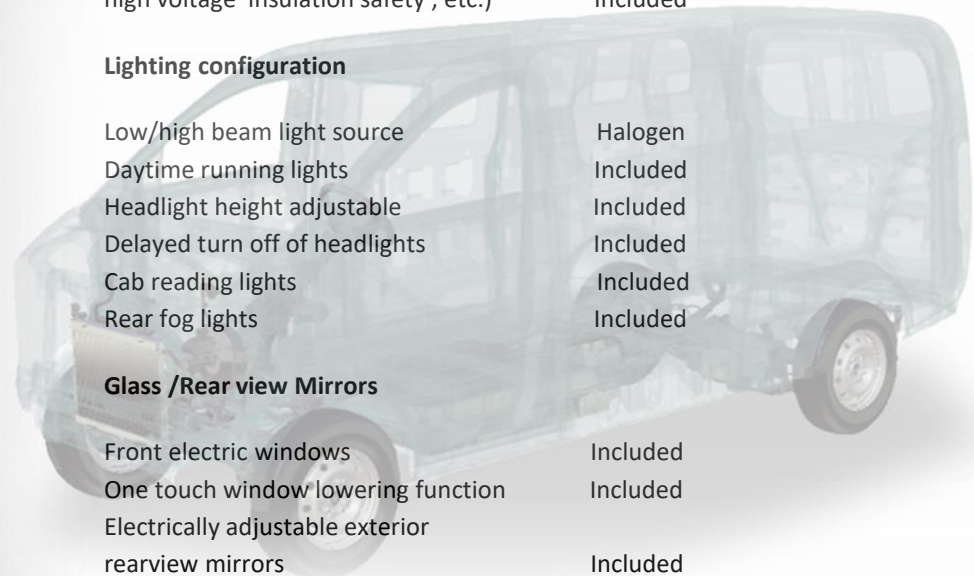

Low/high beam light source	Halogen
Daytime running lights	Included
Headlight height adjustable	Included
Delayed turn off of headlights	Included
Cab reading lights	Included
Rear fog lights	Included

**Glass /Rear view Mirrors**

Front electric windows	Included
One touch window lowering function	Included
Electrically adjustable exterior rearview mirrors	Included

**Air conditioner**

Air conditioning temperature control method	Electric
Heating and cooling air condition	Included
Window frame film	Included

转弯直径  
11.1m
